Equity Coordinators
2009-2010

Equity coordinators are specially-trained people who provide information to employees and students about the District Discrimination/Harassment Policy. They will be available to discuss any concern a student, parent, or employee may have. They will facilitate the complaint process for colleagues, and function as a “first level” investigator for student complaints. The Equity Coordinators’ responsibility is to investigate and remediate incidents of discrimination, harassment, retaliation, bullying, and cyberbullying.
