Thanks to our Volunteers!

Hannah School recognized parent volunteers and students with excellent attendance records in June with recognition awards. There were over 85 parents who volunteered at Hannah on a regular basis, helping our school in a variety of ways. We are so lucky to have such a supportive group of parents at Hannah. Students accepted the certificates and presented them to their parents with a big 'thank you.' Special

thanks went out to fifth grade parents who don't have younger children still attending Hannah. We will miss them and many other wonderful parents!

Donations for families affected by the Mill Street fire can be dropped off at the Hannah School between July 27-30 from 8:30 a.m.-2:00 p.m. Gift cards to Walmart or Target are recommended.

Supply Lists and Summer Reading Information Available on School Website

Supply lists for each grade level are posted on the school website. We have posted these lists early so that families can take advantage of any sales during the summer. You will receive a hard copy of this list with your child's class assignment letter in August.

Summer reading notices are also posted on the school website. Parents should have received these notices in students' backpacks in June. These are posted for your convenience. Students entering grades 4 and 5 are also asked to complete a book jacket project. The template for this jacket is posted as well. Students may use template as a

guide and use larger paper or simply type on the template, print it out and add illustrations. If you have misplaced the reading log that was supplied, you may visit the public library for additional copies or keep a log on separate piece of paper. Happy reading!

Meet our new School Adjustment Counselor

As you know, our School Adjustment Counselor Mrs. Ferdinand, retired at the end of the school year. We have hired a new counselor. She is Ms. De'Arna Krinsky. Ms. Krinsky has a

strong background working with children. She is a licensed social worker. She previously worked at HES in Beverly. She brings lots of enthusiasm and energy to the position. I'm sure you will join me in welcoming her to the Hannah School.
