Dear Parents,

Kindergarten registration for Beverly Public School students will take place during the week of January 22-26, 2007. If you have a child who will be 5 years old by August 31, 2007, he/she is eligible for kindergarten in the Fall of 2007. You may pick up a registration packet in the Hannah School office and fill it in or take it home and return it later in the week. In addition to the registration materials, you will also need to provide a birth certificate and record of immunizations for your child. The Beverly Public Schools also requires a document that can serve as proof of residency. This can be a copy of a utility bill, tax bill, or rental agreement.

The Beverly Public Schools offers both full and half day kindergarten programs. Parents should consider which program meets their needs best. Full day kindergarten is a tuition based program, but scholarship applications are available.

More detailed information is available in the registration packet. Registration packets may be picked up during regular school office hours: Monday through Friday, January 22-26 from 8:00 a.m. to 3:00 p.m. If you have friends or family members who have eligible children, please pass this information along to them. A kindergarten orientation program for Hannah students will be announced in the Spring.

Sincerely,

Susan Snyder
